

Modern Concepts of Security

By James Ohwofasa Akpeninor

AuthorHouseUK. Paperback. Book Condition: New. Paperback. 474 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. I have been associated with the security operations at various levels of jurisdictions from the National security policing (covert operations) to the IndustrialCommercial security setup; to Corporations proprietary security practice and supervision over the past three decades. In this stretch, I have come to be conscious of the vital necessity for comprehensive documentation of security and safety archetypes for the study of this unique profession in which reference materials for developing core and universal curricula for training or self improvement of security operatives are hard to come by. Mainly because most law enforcement agents or persons charged with security managements Law enforcement officers; Security Directors, Fire Safety Directors, the police and even Contract Security firms have hardly come to terms with the professional demands of this specialized professional calling which has assumed the centre stage of global reckoning of the present-day. With these concerns, I have designed this book to be a working companion to personnel and agencies in the security professional vocation along with students of peace and conflicts studies; criminology and security studies the Armed forces personnel and other National Security Agents (DSS, DIA, NIA,...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
