

Play It: The Alphabet Game (Paperback)

By Andie M Long

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. What s the Alphabet Game, Gabe? It s a little something I thought up once I d seen how damn smoking hot you are. It s simple. We take it in turns to name a word following through the letters of the alphabet, but it has to relate to sex in some way. In April 2013 I released my first self-published novel, The Alphabet Game. The book is an erotic romance/suspense, with two storylines running. The cat and mouse game against their mutual enemies and the playing of the sexual alphabet. I love to hear from readers who have enjoyed the series and a couple of readers said they were going to play it now they d read it. This got me thinking. What about if I actually put together a companion guide, a bedside table tome that you can play. So here it is. Enjoy!.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
