Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Studies in Soul Tending: Or Pastoral Work in Its Relation to the Individual* The literature of Pastoral Theology has grown apace of late and, with the addition of some recent works, begins to approach a completeness of treatment which the growing sense of its importance more and more insistently calls for. There is still room, however, for special presentation of particular aspects and departments of the subject, such as the care of the individual soul, including that of the priest himself, with which it is the aim of this short treatise to deal. On the subject-matter of these *Studies*, the author was peculiarly well fitted to speak from a long experience both as Parish Priest and Lecturer in Theology. In both of these relations, within the sphere of his influence, he occupied a position almost unique in Canadian Church life during the greater part of the last half-century. In these pages the judicious reader will observe an independence of treatment which, if in part removed from some of the more prevalent currents of present-day thought and practice, reveals a rich spiritual experience, a profound knowledge of human nature, and a fine insight into the deep things of God.
