## THE LAUGHING MONSTERS

MACMILLAN AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 150 x 130 mm. Language: English . Brand New. Denis Johnson s *The Laughing Monsters* is a high-suspense tale of kaleidoscoping loyalties in the post-9/11 world that shows one of our great novelists at the top of his game. Roland Nair calls himself Scandinavian but travels on a U.S. passport. After ten years absence, he returns to Freetown, Sierra Leone, to reunite with his friend Michael Adriko. They once made a lot of money here during the country s civil war, and, curious to see whether good luck will strike twice in the same place, Nair has allowed himself to be drawn back to a region he considers hopeless. Adriko is an African who styles himself a soldier of fortune and who claims to have served, at various times, the Ghanaian army, the Kuwaiti Emiri Guard, and the American Green Berets. He s probably broke now, but he remains, at thirty-six, as stirred by his own doubtful schemes as he was a decade ago. Although Nair believes some kind of money-making plan lies at the back of it all, Adriko s stated reason for inviting his friend to Freetown is for Nair to meet Adriko s fiancée, a grad student from Colorado named Davidia. Together the three set out to visit Adriko s clan in the Uganda-Congo borderland but each of these travelers is keeping secrets from the others. Their journey through a land abandoned by the future leads Nair, Adriko, and Davidia to meet themselves not in a new light, but rather in a new darkness.
