

Raisins and Roaches: A Three Month Diary of a Crack Addict (Paperback)

By Acie Cargill

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Raisins and Roaches is the story of my two years of heavy addiction to crack. I didnt drink or smoke pot. I just wanted crack. I couldnt be trusted anymore and that was my big claim to fame, my trustworthiness with everyone. Raisins are the good guys in the crack world. They have little black faces like raisins visible under their big sports hats and jackets and they always have on expensive shoes. Those are real crack dealers. You are safe with them. They will protect you and also sell you high quality drugs. They control the lots and buildings where they work. They get you in and get you out. They get your money and you get packets of dope. Roaches are the creeps who prey on the customers when the regular gangs are not working. Naturally you look for the raisins first, but they are only out there when they have a shipment of rocks to sell. The rest of the time, you are on your own. Everyone is your friend and no...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
