The Narrowboats Story

By Nick Corble

The History Press Ltd. Hardback. Book Condition: new. BRAND NEW, The Narrowboats Story, Nick Corble, Bright and colourful, slow and easy, narrowboats are seen today as the epitome of a peaceful life and a wonderful way to get away from the stresses of modern living. Although true, this is a far cry from their origins as the workhorses of the early days of industrial revolution, without which Britain may never have developed as far and fast as it did. Packed with colourful illustrations and little known snippets of information, this entertaining and informative guide retraces the story of how narrowboats have evolved, how their very existence was once challenged and how they have risen phoenix-like into the holiday craft of today. Nick Corble is a renowned canal expert and has written a number of books on the waterways for The History Press, including James Brindley: The First Canal Builder and Living Aboard, the definitive guide for anyone contemplating making a life afloat.
