Excerpt: . . . for a million questions, while sound vibrations, the idiosyncrasies of wire strings, and the mysteries of the sounding board are gone into and explained. VWho can deny that father gets about as much out of this as the boy And after all it is quite the same as giving a needed lift over a hard problem in algebra or geometry. The ramifications of music study are so wide spread that they touch other interests at many points, and progressive teaching methods. are widening this scope immensely. Aside from answering questions and trying to help along the appreciation of music by supplying outside information correlated to it, it is the duty of parents to acquaint themselves with what is going on in the schools. And this the Parent-Teachers Associations are doing, but there are many parents who as yet do not take any active part...
