Warsaw Central is the story of two young Americans, Orlando and Jude, who meet before a window of possibilities. They are drawn to each other by an ambiguous but intense need for expression and direction. The resulting friendship is volatile; and it is ultimately tested during a trip to Poland not long after the Iron Curtain has been lifted. In Poland, the friends experience an apotheosis of self-awareness and aesthetic immersion, cruelty and violence. Warsaw Central is not only a story of discovering inter-male possibilities but an impression of friendship, loyalty, and love when placed in opposition to individual survival. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
